The east parlors of the club will be used as a reception room after the luncheon has been served.

POLICE ARRANGEMENTS.

Every Precaution Will Be Taken to Guard the President.

Unless orders are received from Washington that will change the programme, the police arrangements for the reception of the President are complete.

A careful watch on the crowds must be kept by the police details all the time. The patrolmen stationed along the line of march must be alert and watchful and quick to discern any suspicious movement on the part of the spectators. It will not be a discourtesy for the patrolmen to turn their backs on the President in the performance of their duty.

The line of march, which will be roped off, will be guarded almost every foot of the way. The crowds will be kept rigidly behind the ropes, and no one will be suffered to break through. A squad of eight bleycle patrolmen will head the parade, and will ride on both sides of the street. Two patrolmen will ride at either side of the President's carriage.

The names of the four patrolmen who will ride beside the carriage of the President in the parade to-day were announced last night. They are big men of imposing appearance, and are capable, careful officers. Patrolmen Kiefer, Leet, Milam and Kitzmiller make up the detail, which will be under the personal command of Captain Martin Hyland. All the patrolmen are enmobs of Anarchists to keep harm away The police escort will be in command of Captain Hyland and Sergeant Warren. The

APPEARANCE OF THE HALL.

It Is Prettily Decorated in Honor of the President. Tomlinson Hall has been prettily decorated for to-day's session of the Spanish-American War Veterans, where the President is to be the guest of honor. The

American flag is, of course, the chief feature of the decorations. There will be a portrait of President Roosevelt and portraits of other prominent statesmen in the hall. The President will speak beneath the folds of the American flag. He will confront a gathering of men from two wars, as the Spanish-American War Veterans have invited the veterans of the civil war to be their guests. There will also be many civilians in the audience and the galleries will be filled with women. There has been a great demand for tickets, and many have been issued. Charles Garrard, chief sergeant-at-arms, estimates that he and his men will be able to take care of between 5,000 and 6,000 people.

Many soldiers of the two wars will be in uniform, as a special request has been issued to the veterans in this regard. The President will not only address the veterans of the last war as the President of the United States, but as a comrade. Tomlinson Hall will be open at 10:30 o'clock this morning. Mr. Garrard requests that the people do not crowd against the doors while they are being opened. The first two rows of chairs on the stage will be reserved for the President and his party. Back of them the reception committee and other citizens will occupy chairs. Yellow tickets have been issued for some reserved seats for women in the balconies, and these tickets must be presented at the Delaware-street entrance. Pink tickets held by women must be presented at the Market-street entrance. Those holding white tickets should present them at the same entrance, and the holders of green

The "regulars" will also do police duty at the Columbia Club while the President is there. In addition to the special committee appointed to receive the President the following general reception committee will act in its proper capacity:

Minneapolis140 Special to the Indianapolis Journal. ST. PAUL, Minn., Sept. 22.-Indianapolis cleared away all clouds to its title to the American Association pennant to-day by winning three straight games from St. Paul before a handful of spectators who donate the flag to Louisville and failed. Indianapolis had one postponed game from the first series with the locals, another from the second and the present series of three games made five in all that were to be played. Louisville had four with Minneapolis, and when the "Kurnels" succeeded in playing off only one of them on Sunday they quietly planned to play the other three to-day. It is claimed that one of the games won from Louisville by Indianapolis was an exhibition, and with this deducted and three straight wins today Louisville would have won the pen-

nant, provided Indianapolis played only two and won them both.
When this deal to give the pennant to Louisville was disclosed to Manager Kelly, of the St. Paul team, he consented to a triple-header with Indianapolis, and the first game was called at 1:30 o'clock. Two full nine-innings games were played and the third had gone seven innings when Umpire Figgemeier called it. Indianapolis won all of them-2 to 1, 3 to 2 and 11 to 6-giving it a safe lead, even in the event the game in

question is taken away. Indianapolis did not win without a struggle. The locals were in the game at all times and the crowd was convinced that with a more determined effort they could have taken at least two of the contests. Sutthoff was out-pitched by Miller in the initial contest, but it was his safe drive in the fifth inning that drove Kuhns home with the winning run. The locals were even more in evidence in the second game. Williams was touched up for twelve safe ones, which were distributed judiciously throughout the game. After Indianapolis had taken a lead of one run in the sixth inning, the locals pulled up even in the (Mathews), 13 to 2, won; Mallory, 118 (Co- first part of the ninth and the score was burn), 11 to 10, second; Blue Miracle, 118 tied 2 to 2. Chech walked Hogriever and then threw Fox's bunt far over Ferguson's head, allowing the winning run to score when none was out.

Sutthoff went in to pitch the third game and his curves were found readily. St. Paul had accumulated four runs, when, in the fourth inning, Shaplewski passed the first two men and allowed three singles Topsoil, 110 (Donnelly), 7 to 2, second; Foxy to follow, tying the score. The locals con-Kane, 105 (Dean), 7 to 1, third. Time, nected for four singles in the fifth which netted two runs, but in the sixth the visitors overcame that lead and in the seventh six safe drives gave them a commanding lead. Scores:

HOOSIERS WON FLAG.

Louisville's Scheme to Beat Indianapolis Did Not Work.

The American Association 1902 championship banner will float over Washington Park next year. The season came to an end yesterday, and Indianapolis is found safely perched on top. The Hoosiers won three yesterday, and so did Louisville, but the reports from Minneapolis show that there was something very crooked about the 115 (Cochran), 8 to 1, third. Time, 1:11 1-5. | the outcome was enhanced by the fact that | three games credited to Louisville. The ville series in Mineapolis has a yellow color to it. The St. Paul Globe on Sunday published an article exposing a plan by which Tebeau hoped to beat Indianapolis out of the championship. The plan was as follows: Louisvelle was to finish the Minneapolis series on Sunday by playing a double-header on Saturday and then the Colonels were to take a special train and go to Kansas City, where two games were to be played yesterday, as Louisveille had three postponed games at Kansas City. But Saturday's rain spoiled the plot, and Louisville had to close the season at Minneapolis. All kinds of schemes were worked to beat Indianapolis out, as the press dispatches from Minneapolis indicate, but the Hoosiers were not to be beaten.

The standing credits some of the clubs with having played 141 games, while the schedule only provided for 140 games. The board of directors will have to decide some of the games were exhibition contests and throw them out. Next season it would be wise to have a president who will enforce the rule against playing exhibition games during the championship season.

ELKS' GAME TO-DAY.

Portland and Indianapolis Teams

Will Have a Serious Affair. When the President's train has left the city the thousands who are here may seek the second big attraction of the day. This is (according to the Elks press agent) the ball game at Washington Park between the crack Portland Elks team and the Indianapolis nine. This game is not intended to be a burlesque, but will be a serious effort to display the fine points of the game, including some not pratciced by Watty's pennant winners. Both teams are capable of good ball playing and the admissionis cents-is so low that any one may attend. In the evening the Elks will be entertained at a social session in the clubrooms on West Maryland street.

Best Time Made by Hal Clipper, Who Paces a Mile in 2:07 1-2-Tommy Mac's Good Pacing Powers.

TERRE HAUTE, Ind., Sept. 22 .- A small crowd witnessed the first day's programme of the Grand Circuit meeting. The track was fast, although the weather was threatening. Allerson was a hot favorite in the betting ring for the 2:12 pace, but, after winning the first heat, Hal Clipper made it three straight from the gray horse. Clark, owner of Hal Clipper, drove the first heat and then retired in favor of Jolly, who drove the second mile in 2:071/2. Black Lady was the favorite in the 2:24 trot, but failed to get a place, Judge Cullen finishing first in three straight heats, after close brushes with Jessie M. Guy Fortune took

second from Jessie M. in the third heat within five lenghths of the wire. In the 2:25 pace Tommy Mac, owned by Frank McKeen, of this city, won in straight heats. Billy and Dorothy Wilton finishing second and third each heat. Tommy Mac

sold for \$20 and the field for \$18. Monte Carlo took the first heat in the 2:14 trot, securing the pole from A. J. D. at the start and continuing in the lead throughout the heat. After scoring twice for the second heat the race went over until to-morrow on account of darkness and the fact that Crescent threw a shoe. Monte Carlo sold for \$25 and the field for \$20. FIVE HEATS TROTTED FOR KEN-TUCKY STOCK FARM PURSE.

Every Heat Furnished a Good Race-Pat Henry and John Mc Twice Finished First-Finish To-Day.

Six three-year-old trotters made a hard fight for the Kentucky Stock Farm expectation purse of \$5,000 at the state fair grounds track yesterday afternoon, and after five heats had been trotted and no winner declared the finish of the race was postponed until this afternoon at 2 o'clock. This is the big event that was on the programme for last Thursday and was postponed until the track was in good condition. The crowd was not very large, but every heat furnished a good race and the time was satisfactory.

The fifth heat was concluded before 6 o'clock, but by the time the drivers came on the track for another heat it was so dark that it was decided to postpone the finish until to-day. It was dusk when the fifth heat was concluded. There was not a single heat in which the drivers did not do their best to land first place, as the purse was large enough to tempt them to urge the young trotters. Sister Collett, owned and driven by David Cahill, of Lexone of the heats. Four times she came in last, barely getting inside the distance flag, and in the fourth heat she got in fifth

with Red Robe last. Nellie Jay, the roan filly, by Jay Hawker, owned by George R. Woodin, of Boston, and driven by McKay, won the admiration of the crowd by her wonderful burst of speed in several of the heats, but she was unable to pass under the wire first because she was not able to keep her stride. She broke frequently, but when she got down to her trot she would close in on the bunch and demonstrate that she has wonderful

one, excepting that Sister Collett went under the wire on a gallop. The entire field bunched together and on the back stretch the race for first position was a pretty one. Making the turn into the home stretch Gail Hamilton, Red Robe and John Mc. were side by side. There was not a length between the three horses when they went under the wire, with Gail Hamilton first, Red Robe second and John Mc. third. The second heat was a procession around the track, and on the far turn Nellie Jay was in the lead, but she broke and Pat Henry won. Pat Henry also took the third heat, with John Mc. a close second. John Mc. showed great speed in the fourth and fifth heats and captured them both, the fifth heat being an exciting one, with Gail

Hamilton pressing John Mc. for first position on the home stretch. Before the first heat of the race The Money Maker, owned by A. N. Munden, of Seymour, Ind., driven by Bert Wallace, was sent to beat his record of 2:20. He negotiated the mile in 2:19%.

ALUMNI TEAM DEFEATS 'VARSITY IN

A CLEAN CONTEST.

First Football Practice at Franklin College-Earlham Associations' Re-

ception-Other College News. Special to the Indianapolis Journal. GREENCASTLE, Ind., Sept. 22.-The football season at De Pauw University was opened this afternoon by a game between the new 'varsity team and an alumni team, with the latter the winners and the score 12 to 7. 'Varsity showed up well for its first game, but the experience of the men against whom it was pitted was too much. The haives in both teams played faultless games, and it is thought the De Pauw team will be especially strong in this respect. The day was too warm for the game, but no one was laid out either by heat or injury. Not enough alumni players could be secured, and a few substitutes were drafted. Weik, Tuller and Pearson
